

BUILDING MATH PROFICIENCY

IN STRUGGLING LEARNERS PreK-5

This 2 day face-to-face module in addition to continuing online follow-up is designed to introduce participants to the 5 strands of Mathematics Proficiency per the National Research Council and how explicit instruction in these areas will help our struggling learners.

Participants will also be able to assess fluency with multiple authentic methods in addition to teaching problem solving strategies to assist struggling learners.

INSERVICE POINTS

Register in MyLearningPlan beginning 5/4/18, course title: “Math Proficiency in Struggling Learners.” This course is worth 16 inservice points and counts toward the ESE renewal requirement.

For more information contact: Naomi Church, FDLRS Program Specialist. 754-321-3400 Naomi.Church@browardschools.com
