REACHING AND TEACHING ALL LEARNERS

Since 1975

## TOUCHMATH® INTERVENTION

Pre-registration available at: <https://bit.ly/2Ll2pSL>

### **Train-the-Trainer Limited Opportunity!**

**November 13-14, 2018 at**

**Arthur Ashe Campus Room 274**

**1701 NW 23 Ave., Ft. Lauderdale 33311**

**From 8:30am  
to 3:30pm**

Learn everything you need to know about the TouchMath Program for use as an intervention in Broward in **two days** and get a firsthand look at the unique, multi-sensory approach to math. We will supply all the materials needed for a hands-on, interactive learning experience. The training will cover addition, subtraction, multiplication and division as well as some tips for executing successful professional development. This training will enable you to train teachers at your school site and run a TouchMath PLC. This will NOT enable you to offer a training in MLP for inservice points.
