

Mathematics Mondays Webinar Series

Fall 2018
Free for all school and district staff!

Please join us for this virtual meeting seminar, free and easy to participate!
All you need is a computer, laptop, or device with speakers!

<p><u>Growth Mindset in Mathematics</u> October 1, 2018 3:00-4:00pm</p>	<p>“I’m not a math person” is a statement made entirely too often. Learn how to use a Growth Mindset to work hard to grow our math understanding, attitude, and outlook.</p>
<p><u>Writing Quality Math IEP Goals</u> November 5, 2018 3:00-4:00pm</p>	<p>What assessments can I give to get data for the PLP? What types of math goals should I be writing for my students? What are the progression of math skills that my students need to be successful? Join us as we answer these questions and more.</p>
<p><u>Universal Design for Learning in the Math Class</u> December 10, 2018 2:30-3:30pm</p>	<p>“There is no formula or recipe that works for all learners in all times. There is no set of lesson plans or units that can engage the range of learning styles, approaches, and intelligences that are likely to gather in one classroom.” -William Ayres Join us to learn what Universal Design for Learning is and how you can apply these strategies to increase student success in the Mathematics Classroom.</p>

Logging in is Easy!

From the comfort of your classroom or office! Starting 15 minutes before the start time, click the link to enter the Adobe Connect Virtual Room.
