FULLY ONLINE FACILITATED CANVAS COURSE

Course runs NOVEMBER 1, 2018 – DECEMBER 14,
2018.

Learn everything you need to know about the TouchMath Program in [our new online facilitated Canvas course](#) and get a firsthand look at the unique, multi-sensory approach to math. You will receive a full color training manual and poster of the touchpoints. The course expectation is that you will put in about 2 hours of work per week for 4 weeks. You will earn 8 in-service points that count toward the ESE renewal requirement. You'll even be able to download free TouchMath Activity Sheets so you can get started right away! The training will cover addition, subtraction, multiplication and division. TouchMath Intervention kits are not provided by the district.
