

Math Diagnostic Assessment Training

KeyMath3, TEMA3, G-MADE & CMAT Training Now Available!

Training is now available online in the administration and scoring of most of the diagnostic assessments supported by Broward County Schools! This self-paced online course is facilitated via Canvas. It is great for on demand professional development that can be used in a PLC or for individual participation. No inservice points are awarded for this course. As a participant you may choose to work through the modules that are relevant for you.

Enroll yourself in the course by clicking the link: <https://browardschools.instructure.com/enroll/GX9CLX>

The online course contains:

- ▶ Training Videos
- ▶ Product Details from the vendor websites
- ▶ Links to pre-recorded webinars from the makers of the KeyMath3 and G-MADE
- ▶ Printable handouts
- ▶ KeyMath3 Assist Install instructions for Lenovo
- ▶ Discussion boards for all assessments to address and questions and concerns.
