

Please join us for this virtual meeting seminar, free and easy to participate during your lunch hour! No registration necessary!
All you need is a computer, laptop, or device with speakers!

<p><u>Building Successful Foundations of Mathematics at Home</u></p> <p>Tuesday, September 17, 2019</p> <p>12:00 - 1:00pm EST</p>	<p>Given the performance and test-driven culture of our schools, with over-packed curriculum and stressed out students, what can parents do to transform math for their children? Families can increase math proficiency in their children by playing fun games at home. Dr. Jo Boaler of Stanford University offers some practical tips for parents that we'll review in this interactive webinar. Join us to learn some strategies, activities & games that you can play as a family to increase student success in math.</p>
